Jurnal Gizi dan Dietetik Indonesia
(Indonesian Journal of Nutrition and Dietetics)

Jurnal Gizi dan Dietetik Indonesia (Indonesian Journal of Nutrition and Dietetics) abbreviated IJND (p-ISSN 2303-3045 and e-ISSN 2503-183X) is a peer-reviewed scientific journal publishing updated research articles in the area of nutrition and dietetics. This journal is published three times annually (January, May, and September) by Alma Ata University Press in collaboration with Indonesian Nutrition Association (Persatuan Ahli Gizi Indonesia). The scopes of JGDI are: clinical nutrition, maternal and child nutrition, public health nutrition, non-communicable diseases, food service management, food science and technology. Papers that do not fall under the scope as described above, may be submitted with adequate justification on the importance of the topic justifying the importance of the topic being studied. We prefer innovative and relevant papers to our international reader.

Advisory Board:

Keith P. West Jr, John Hopkins Bloomberg School of Public Health, John Hopkins University, United States
Stefaan de Henauw, Department of Public Health, Ghent University, Belgium

Editor-in-Chief:

Hamam Hadi, Department of Nutrition Science, Faculty of Health Sciences, Universitas Alma Ata, Yogyakarta, Indonesia

Associate Editors:

Louise A Baur, Professor and Head of Child & Adolescent Health, University of Sydney
The University of Sydney
Mirjam Van Weissenbruch, Department of Neonatology, VU University Amsterdam
Wan Abdul Manan, University Sains Malaysia, Malaysia
Jung-Su Chang, School of Nutrition and Health Science, Taipei Medical University
Madarina Julia, Universitas Gadjah Mada, Yogyakarta, Indonesia
Umi Fahmida, SEAMEO RECFON-Universitas Indonesia
Mohammad Hakimi, Universitas Gadjah Mada, Yogyakarta, Indonesia

Member of Editors

Veriani Aprilia, Department of Nutrition Science, Faculty of Health Sciences, Universitas Alma Ata, Yogyakarta, Indonesia

Ethics in publishing

For information on Ethics in publishing and ethical guidelines for journal see <http://ejournal.almaata.ac.id/index.php/IJND/about/editorialPolicies#custom-0>

Paper Submission

Manuscript is the result of research that has never been published or not being submitted or posted in any media. Manuscripts that have been presented in a scientific meeting must be labeled (footnote). Manuscript consists of the title, name, author address, author institution, abstract, introductions, materials and methods, the results and discussion, conclusion and recommendations, acknowledgements (if necessary) and references. Provisions in detail could be seen on the guidelines of writing.

All manuscripts could be submitted to IJND Editorial Office by online submission at e-journal portal address: <http://ejournal.almaata.ac.id/index.php/IJND>.
